ABOUT BANSAL INTERNATIONAL

Bansal International is one of the leading manufacturers and exporter of premium leather products from north India. The company focuses on designing, marketing and manufacturing premium quality products for Men & Women. Head-quartered in Kanpur "a city known globally for producing leather and hand-made products since decades", the company has manufacturing facilities of sufficient area. By using its own production facilities, the company can secure crucial know-how, while enabling development activities to be closely geared to subsequent industrial manufacturing.

Bansal International is a vertically integrated company from Raw Material to finished product all under same premises. The tanneries of Bansal International follow the global standards of quality making and modern technique to take care of environment.

The Company's collection covers a comprehensive product range-encompassing classic to modern leathers and hand made products. Leathers and colors are developed and improvised to suit every customer and brand while adding emotional appeal.
